## Our Strength

A successful corporate enterprise is often as good as its people, their vision and their ability to turn it into reality. There are no short cuts to success. It is a long and hard journey undertaken by those who have the courage of their convictions and the will to perform no matter what it takes.

BBL Group is made of this genre of people. It is fuelled by their imagination and their desire to outperform themselves in every aspect of business. It has grown steadfastly to mature into a responsible, resilient and dynamic entity that is recognized and respected not only for the quality products that it makes but also for the way it conducts its business.

## Assurance of Quality

Our Beads are processed in High Technology facilities and undergo stringent quality control measures to ensure high quality standards.

## World Class Technology

All our products are produced by international class technology, which ensures highest quality of beads and satisfied customers.

## Banaras Beads Limited

Founded in 1948 with a vision to supply best quality of beads and jewellery making accessories to bead enthusiastic people around the world.

In last ten years, the company has grown every year & today is one of the biggest in the trade. The young work force with its creative input & focused work is a great asset and is a prime reason for consistent growth of company. By nature, Banaras Beads Limited is born leader.

The company is well equipped with state of the art automatic machines. Banaras Beads Limited had recently installed quality software, which links all their departments & helps in working on critical dates and follow ups. The company's manufacturing process & its quality control measures are in full compliance of society norms & standards.
